2024 AGREEMENT ADVISORY BOARD

OUR MISSION

Benefits administration has become increasingly complicated. Yet, never has it been more important. You're looking for a solution that streamlines your tasks and keeps you and your customers happy. You also need software that easily integrates with all your go-to platforms — robust, stable, and user-friendly.

To do that, we need your insight. Knowing what our Partners, Brokers and Clients need and how our solutions work in your environments will help to drive our innovations and keep us at the cutting edge of employee benefits administration. It's a win-win!

As a member of our Board, you will play a vital role in helping Clarity continue to shape the future of the employee benefits administration industry. Your experience and insight will help Clarity better understand how regulations impact employers, major HR leadership pain points and how our solutions can alleviate these issues.

OBJECTIVES

- Share industry trends & drivers impacting your business
- Evaluate the current state of Clarity's products, technology, and service
- Provide candid feedback on product or service opportunities and strengths
- Guide the direction of Clarity's product roadmap, strategy and timelines
